PROJECTS

SportFest Segovia

2025 – 2026

sportfestsegovia.com · Astro, TypeScript, Tailwind CSS

- Sole developer of the platform for the university sports event (UVa vs IE): bilingual site, registration, QR tickets, raffles and an admin panel with a live QR scanner.
- In production since the 2025 edition and extended through 2026. 300+ student athletes, 18 sports, covered by 8 press outlets.

La Velada del Año IV, V & VI

2024 – 2026

infolavelada.com · Astro, TypeScript, Tailwind CSS

- Contributor to the official website of Ibai Llanos' boxing event across editions IV, V and VI, including the artists page, press resources and the venue map.

Spider-Man: Brand New Day

2026

spidermanbrandnewday.es · Astro, TypeScript, Tailwind CSS, GSAP

- Contributor to the official Spanish site of the film: cast page and gallery, with scroll animations.

AWARDS

- Honours distinction (Matrícula de Honor) in Mobile App Development, Website Development and Programming Fundamentals.
- High marks in SQL databases, PHP web development and enterprise software platforms.
